After eliminating the incorrect flags, no more than one flag will remain in each row and column.

One solution flag has a unique astrological symbol.

Only one solution flag is a rotated version of another flag.

Row 3's nation has the lowest Scrabble score of its row or column.

All solution flags contain the color red, but not red triangles.

Column A's flag has the same number of astrological symbols as its row has colors.

# WORLD FAMOUS
