HOOK, LINE and SINKER

Draw a line connecting each hook with a sinker. The word between them connects the two. (For example, WIND POWER and POWER PLAY.) The highlighted letters spell out two clues to the final puzzle.

Split each wordfish, then reassemble the heads and tails to form a new word. It's up to you to determine where to split each fish. For example, the head of "PARTition" and the tail of "barnaCLE" could be reassembled to make "PARTICLE".
