## Hints

USE SPARINGLY, AND ONLY IF STUCK!

1. *Each note conceals 5 keywords which you must find.*
2. *There are 10 notes, and 10 patterns listed on page 1. These patterns indicate how the keywords have been encoded.*
3. *Within each note, the 5 keywords fall into a theme. Each note has a different theme.*
4. *The title of each note is a clue to its theme.*
5. *The numbers to the left of each line indicate a letter in that line's keyword.*
6. *The 5 letters — one from each keyword in the note — can be unscrambled to reveal another word that fits the note's theme. This word is part of the meta solution, and should be written in the boxes on the last page.*
7. *The middle letters of each meta clue can be unscrambled to reveal the name of the suspect, a Hollywood celebrity.*
